Title: STORAGE FOR BULK GOODS WITH OVERHEAD WITHDRAWAL  
Appl. No.: 10/788,910 Filed: 02/27/2004  
Docket No. SSM-525US Customer #23122

Fig. 1

Technical drawing of a mechanical device, likely a pump or compressor, showing a cross-section of the main body with various components labeled with numbers 1 through 32. The drawing includes a central shaft assembly with a rotor and stator, and a drive mechanism at the top. Arrows indicate flow directions and dimensions.
